## Feature Vehicle

**Owner:** Fran Beks

**Mechanic:** Jos Beks

**Car:** 1962 Triumph Spitfire roadster, 1147 cc, twin carburettor and four speed gearbox.

Fran had been looking for her own 'special' sports car for some time thinking she might like an MG of some type. On Roy's Run earlier this year she saw a Triumph Spitfire for sale in Cootamundra and fell in love with the lines and looks of the little convertible. Some thought was given to purchasing this car but on returning home Jos went on line to the Triumph Car club's newsletter and found another Spitfire for sale at Howlong on the Murray River. Jos and Max Dumesny were dispatched to inspect the car and came home to Port Fairy with the little spitty on the trailer. So far the car has had a few minor problems requiring sorting. The most major problem being a gear box synchro rebuild. This was helped by having a tame husband/mechanic, a supply of spares purchased with the car and an extremely capable engineering brother. With summer hopefully coming (not exactly sure when...) Fran is looking forward to some serious top down motoring.

## President's Report Nov 2017

G'Day All,

Founding Life member Frank Gore's funeral was held on 27<sup>th</sup> October & fifteen members with their cars formed a Guard of Honour. Thanks to those & all other members present.

Saturday 28<sup>th</sup> October was our annual display at the Warrnambool Show, with 12 cars & 1 truck on show. Thanks again to those who attended.

Thanks to Trevor Anderson for removing the bonfire pile from the clubrooms site, and to Kelvin Boyle for disposing. I attended Lake Goldsmith on Sunday 5<sup>th</sup> November & had a very enjoyable day viewing all the old machinery & the smell of steam, oil & kerosene. There was plenty of John Deere's on display. (Rob) The only dampener on the day was that KJ Boyle kept pointing out all the sheep in paddocks that he could move, if only he had a reliable driver!!! (You know the rules KJ...)

Lake Pertobe is progressing well, BUT VOLUNTEERS ARE NEEDED.....

If you can help out here, contact Natalie Serra, Miram Welton or Myself. It was suggested at the committee meeting, if members could raise their car bonnets while cars are on display (think about it)

Christmas Lunch Tickets are still available, so see Natalie on or before General Meeting on 24<sup>th</sup> November. Raffle Tickets are also on sale, see Karen Carter at General Meeting. Only a few calendars are left so contact Ken Perrett BEFORE ALL SOLD OUT...

The battery drive is still on, so keep them coming in to same drop off points.

Member Alan Douglas passed away, so on behalf of Committee & Members, Sincere Condolences to the Douglas Family.

2 club members are to be married this month. They are "Scoota" & Amber and Phil & Renee Blake. We wish them all the very best for the future.

As this will be the last newsletter for 2017, I wish all members a Safe & Merry Christmas & A Happy New Year & may you all have Four Good Seasons Next Year.... (Don't forget Port Fairy New Year's Eve Parade)

Jack Brittain is in hospital, so we hope to see you up & about shortly Jack, & to any others not well, recover quickly.

Until 2018, safe & Happy Motoring to all.

Regards, "Chisel"

**The Battery Drive** is still on. Batteries can be left at the Dillon's or Chislett's farm, or at King Cole or call Andrew Serra and he will come and pick up. Well done Andrew and others and thanks to people dropping batteries off.

## **RECENT CLUB EVENTS**

### **Ford Clearing Sale at Charlton**

Some nice photos of a Ford clearing sale at Charlton from Ken and Betty Perrett. Thanks for sending these in.

### **Seniors Week Run**

About 30 people including drivers enjoyed an outing to the Wheatsheaf Hotel and the Modelbarn Hobby Shop in Terang.

## Mid Week Noorat Run – Thursday 19<sup>th</sup> October

On an uncertain Thursday (weather wise) 24 members ventured out to visit the Shed at Noorat for afternoon tea and a chinwag. Thankfully after a damp morning the afternoon, though a bit dull, remained dry. A leg stretching blast down the highway through Terang brought us to the Noorat Shed which forewarned had made available afternoon tea in the form of sandwiches and a very tempting array of slices. Good hot coffee, chocolate and tea was enjoyed by all. A visit to the hat shop for the Ladies and then on to the historical Mt Noorat Hotel where the well-polished bar was claimed by one member as “all his own work”.

This may well be the destination of a future Sunday run with the new club co-captains sounding out the owners.

Discussing the finer points of English Prestige Motoring.

The Port Fairy push lead by Daryl Jago's latest toy.

## Byaduk Spring Flower Show - 4<sup>th</sup> November

A couple of club members attended the Byaduk Spring Flower Show as also attended by the Dodge Car Owners group. Quite a few of the cars present were considered to be “take-home-able”! Sorry about the total lack of flower pictures.....

## Gillin Park Run – 28<sup>th</sup> September

Thanks to all the drivers who gave their time for another successful run.

## Lyndoch Run – November 8th

Eight cars turned up for 1.30 pm and twenty four residents and some staff came along for the ride in the country side on a nice sunny day. Ken lead us off in Ray Smith's canary yellow Triumph 2000 and had us off over the Hopkins River to Allansford and then along the main highway and turn off at Cudgee. My passengers enjoyed the ride in the country side and seeing the farming activities but had their sights firmly set on being back by 3pm for afternoon tea. After going past Hopkins Falls I missed the cars in front of me who made a right turn to go up to the Hopkins Highway. Fortunately the two cars behind me made the right turn and I had to do a U turn much to the consternation of my passenger who thought this would delay coffee time. Anyway as tail ender I made sure I kept my eye on the cars in front and we got back in time (well sort of). As usual Lyndoch put on an excellent afternoon tea and all the residents enjoyed the run. The staff also thanked us for coming along.

This is the last newsletter for the year and so it is timely to thank Ken Perrett for having done a great job all year liaising with local aged care facilities to organise these runs and get members to come along with their cars. Great job Ken, we'll keep you on for another year and double your pay. They are a great way for us to contribute to the community and give some of the residents a change to their normal schedule and also talk to some different people. Thanks also to all Club members who have volunteered their time and vehicles during the year to take the residents for a ride. Please continue to support Ken on these runs and he is always keen to have new volunteers.

## Vale Francis Gore

Recently we lost a dedicated and active Life Member of our Club, and a great bloke. Francis (or Frank to many of us) was an inaugural member of our Club, and, together with Ruth took on many Club roles, including stints on Committee, as a Federation Rep., active in Club rallies and events and a willing participant at working bees. Frank and Ruth owned a range of cars at various time, including a 1922 Rugby, 1953 Pontiac, Chev "Raleighs" van and an EJ Holden. Many of our members attended Francis's funeral, with 14 arriving in their historic cars. At the General Meeting held on the same day, President Ian called for a minutes silence in memory of Frank. His brother Jack later thanked the Club for their participation, and to the friendship and support shown to brother Frank and Ruth during his long illness.

## Lenny's Garage

In late September I travelled to the US and met up with my son David who was already over there. Main objectives were going to Carlisle and Hershey swap meets in Pennsylvania. Carlisle was late September and Hershey the following week. In between was 4 days and we decided to see the sights of New York and also visit Lenny's Garage. Lenny's garage features in a YouTube video ([www.youtube.com/watch?v=KxhpSI0I9I0](http://www.youtube.com/watch?v=KxhpSI0I9I0)) and is located only 6 miles from Times Square in mid Manhattan. We drove in from New Jersey, under the Hudson River, through Lower Manhattan and then over the Brooklyn Bridge into Brooklyn to Lenny's garage. It's in a working class area a world away from the glitz of Lower Manhattan and there is nothing on the outside of the building to indicate what is inside.

**Nondescript street front  
garage appearance**

**Lenny Shiller**

**Lenny's mid 60s F100 ice  
cream vendor's truck**

We turned up unannounced on a Saturday at mid day. Lenny doesn't advertise for visits to his garage, there is no website and he doesn't keep regular hours there so it was a bit of a punt as to whether he would be there. And he wasn't there. So I went to a small factory across the road and talked to the manager. Gaspare was most helpful and yes it was Lenny's garage, he doesn't keep regular hours and would I like him to call Lenny? Well of course if that was OK. Gaspare explained that Lenny might well be at the local synagogue. Lenny answered and said he would come about 2 pm. So we came back at 2 pm and Lenny turned up. I apologised for inconveniencing him but that was all OK. He manages the local synagogue building and was being recognised for his volunteer work. Lenny opened the garage door, turned on the lights and there in the dim light was his collection of over 50 vehicles.

Lenny spent the next three hours giving David and I a personalised tour with an explanation of most all of the vehicles, where they came from, who previously owned them, how long he had owned them and what was special or unique about them. As Lenny explains in his YouTube video he doesn't have Mustangs, 55 or 57 Chevs or a 59 Caddy because everybody has them (oh yeah!). But, he has an eclectic collection of unusual cars including Packards, Hudsons, Nash, a 49 Chrysler Woody Wagon, a mid 50s American LaFrance fire engine, a 1913 Metz (his only veteran) and the ice cream truck. He does other volunteer work including being the editor of his car club's newsletter, Club President, regularly opens his garage for visitors and tours, gets cars out for local events to help raise funds and also gets the ice cream truck out to give away ice creams to local kids. And on top of that he still has time to do maintenance on his vehicles. The garage we were in had predominately American cars and he has his "foreign" cars in another warehouse. Most of the vehicles are from the 40s and 50s but there was the Metz and a few cars from 20s and 30s. The only non-American car I could see there was a small Messerschmitt 3 wheeler (see photo below).

His first car was a 50's Packard but his favourite was his grandmother's 1936 Chevrolet Coupe which she bought new. He had known the owners of many of the other cars and had come into possession when the owner died or was unable to look after it. Lenny considers he is just the current custodian of the vehicles. Most were still in their as received state except being kept in running order. He also showed us his collection of car manuals, spares, spark plugs and collectables. He wouldn't accept any recompense for our tour as he was happy to spend his afternoon with us. After Hershey we drove back to LA and visited ten car museums from the Henry Ford Museum in Dearborn to the Nethercutt Museum in LA. Most had restored Duesenberg's, Rolls, Lincolns, Cadillac's etc in nice well-lit buildings with interpretive signs. But none had such a personal tour by such an interesting and generous man as Lenny.

## Around the Traps

### Warrnambool Show 2017

As in previous years, our Club was well represented and 10 Club vehicles were prominently displayed on the Saturday

*Club vehicles on display at the Show, several with "bonnets up"*

### Austin 7's visit Warrnambool

It seems that more and more car Clubs are making Warrnambool their touring destination and the Austin 7 Club chose us for their annual Melbourne Cup long weekend Hub Rally. Twenty-four "Baby" Austins, ranging from 1924 to 1937 ventured to Timboon, Port Campbell, Port Fairy and to a popular visit to George Taylors at Grasmere Junction. Several Club members caught up with the cars on display during their 4-day visit.

*Erik Carlsson is wondering whether he would fit into the tiny cockpit, while Reg Dumesny was impressed with the fuel economy of their 700cc engine, compared with his gas guzzlers!*

## Annual Lake Pertobe Display- Sunday 14<sup>th</sup> January

Our theme this year is “All things Holden”, to both commemorate, and commiserate the huge part they played in Australian motoring history. Holden began in Adelaide 150 years ago as a saddler and converted to car body building during World War 1. In their peak manufacturing period they employed 2, 914 workers across several sites in 1964. (For a detailed timeline of their rich history, visit Google: Holden history/Timelines or via Wikipedia)

So, while we welcome all historical cars to our annual display day, a special invitation is extended to Holden cars, and any other vehicles with Holden built bodies, plus displays of Holden heritage.

At the October meeting, it was agreed to support the community fund raising program for a new health and medical facility in Warrnambool to be called “The Lookout”. An initiative of the Western Region Alcohol & Drug Centre, the plan is to build a 20-bed residential rehabilitation facility in Warrnambool. Contact has been made with WRAD and they are very pleased to have our support.

### Guest Speakers at the October Meeting

We were treated to the adventures of Ian Rees and Doug Byron during their recent visits to Swap Meets in the US. They were amazed at the 9,000 sites at the Hershey Swap Meet, which is 4 times the size of the Bendigo swap, and claimed to be the largest Swap Meet the world! Visits to several private car museums, and to the Ford Museum in Detroit were very impressive. They also spoke of the cheap prices over there, and also to the hospitality shown to Australians.

The Committee hopes to arrange another guest speaker for the November General Meeting.

The Ubergang foundation have some farm machinery and equipment which could be made available for display. G Houston and I Chislett made a promising inspection of said machinery.

Our January general meeting falls on Australia day. Moved Ken Perrett "That we hold our breakfast at the Payne Reserve in Dennington and that the general meeting will take place at this gathering". M Murfett. Breaky will be from 8.30 onwards with the meeting to start at 9.30am (meeting time to be confirmed)

Our thoughts go out to the families of Frank Gore and Alan Douglas who recently passed away. On a brighter note we have members Andrew Serra and Amber Wilson , and Phil Blake and Renae Bernoth recently married. Congratulations to both couples.

Vic roads have been notified of the changes to the permit signatures. These will be effective from Monday Nov 14<sup>th</sup>. Permits can be signed by Natalie, Ken Perrett, Max Dumesny, Jason Hinkley , Jacob Hinkley, Ian Chislett and Rob Donohue.

Meeting closed 9.45pm
