President's Report

G'Day All,

November is here again & and at the time of writing this report, there is only 41 days till Christmas!!(Oh Joy, Oh Joy)

October was a very busy month for club outings. Firstly was the Cobden Fair which saw a good roll up of Members & their cars. Cobden had 3 venues open, The Miniature Railway, The Fair Grounds & the Restoration Ground, so people could wander between all of them.

WELL DONE COBDEN!!

Secondly was the Warrnambool Show Display, & at short notice an excellent turn out of members were present. 16 cars, 2 cars & caravans & 2 trucks rolled up at 8.30am & almost caused the parking officer (me) to have a heart attack.... A comment was asked, "Did you ever work in a sardine canning factory?" HaHaHa Sadly member & committee member, Max Baudinette passed away & his funeral was held on the 1st November. 9 members with their cars formed a guard of honour, also many other members present. Thanks to all that turned out in respect for Max.

Christmas Lunch tickets are still available, BUT, NUMBERS MUST BE IN BEFORE MONDAY 26TH NOVEMBER!! Contact Natalie before then for a Seat/Table.

Raffle Tickets are still on sale, see Karen Carter at General Meeting 30th November or purchase at Xmas Luncheon.

DON'T FORGET THE PORT FAIRY "MOYNEYANA" NEW YEARS EVE PARADE. ALL WELCOME

Lake Pertobe Show is progressing well, but volunteers are needed....

Contact Natalie or myself if you can help out here!!!!

Progress at the new clubrooms has slowed up a bit this month, because many of the volunteers are farmers & harvest season is in full swing. (Make Hay while the sun shines) but the light at the end of the tunnel is very bright!!!!

As this will be the last Newsletter for 2018, I would like to wish all Members & Families a Safe & Merry Christmas & also a Happy & very Cheerful (hic) New Year!!!

May you all have four good seasons in 2019.

To all those not feeling well, a quick recovery to you.

Until 2019,

Safe & Happy Motoring to all.

Regards **"Chisel"**

The Battery Drive is still on. Batteries can be left at the Dillon's or Chislett's farm, or at King Cole or call Andrew Serra and he will come and pick up. Thanks to everyone helping with this continuing fundraiser. The price is up at the moment so please keep them coming in.

Themar Heights

On behalf of the residents of Themar Heights, I would like to extend a huge thank to the Vintage Car Club for organizing a Vintage Car Drive on Thursday 20th September. The weather was kind to us and the residents were thrilled with the drive to Childers Cove. Afternoon tea was served at Themar Height, highlighted by a visit from Glenn and Cathy's coffee van. Thank you to Ken, Ben, Barry and Merrin for taking time to share their vehicles and to engage with the residents, all adding to the experience.

I would like to personally thank Ken for making the organizing of these events so effortless.

Kind Regards - **Carolyn Morton, CSS Coordinator, Wellways Australia**

October Monthly Club Run to the Cobden Spring Festival

On Sunday 21st October, our Monthly Car Run Captains, Jos and Max organised a car run to join in the motor show as part of the 23rd Cobden Spring Festival, held at the Cobden Pioneer Dairy Park. This festival is a two day event and hosts a range of family friendly events such as the miniature railway, gum boot toss contest, pet parade, market stalls, and colour blast activity.

A number of club members met at the Allansford club house before heading off to Cobden and then were joined by other members at the Festival. In total approximately 25 members with a range of various cars attended the day. The weather was generally kind to us for the day with a few showers as we travelled down to Cobden.

The Cobden Pioneer Dairy Park was interesting to visit with a range of many displays of working steam engines, horse-drawn carriages dating back to the 1870s, farm milking equipment, restored tractors, mowers, old herd testing equipment and other agricultural relics located across 8 buildings.

It was great to see a father (Damian) and son (Matt) club members join the fun. Also, in Max's car there were three generations of club members including his son, Adam and grandson, Lawson.

Several of the older members and the youngest member, Lawson Dumesny enjoyed a ride on the model trains. There were 6 trains operating on the day. The total train track is approximately 1.8 km and includes an underpass, an overpass, trestle bridge, two tunnels and two stations. The track travels around lovely gardens and a lake – worth the \$2.50 per trip.

After participating at the Spring Festival, the members visited the South Western District Restoration Group which was open with a range of displays i.e. cars, working blacksmith, undertakers, working steam engines etc. The members' sheds ranged in size from small to large ones.

One particular shed called the Cistern Chapel housed a range of old to modern toilet cisterns, bathroom taps, u-bends, and toilet seats.

The club was required, at its own expense, to install water tanks for firefighting purposes before further shed development would be permitted.

The afternoon was completed with a lovely plate of freshly made scones with jam and cream, and a cup of tea in their on-site club rooms – very enjoyable.

As a special thank you, the organisers of the Spring Festival provided each car owner who participated in the motor show with a gift pack of Bonlac's products. The club members who attended this monthly club run thoroughly enjoyed their outing.

Midweek Club Run to the Proudfoot's Boathouse

On Thursday 8th November about 20 midweek regulars and a dozen cars travelled the testing distance from KFC to Proudfoot's boathouse without any breakdowns or failures to proceed (even though a couple of cars with prior history of poor behaviour were present). Although the weather was indifferent by the end of coffee and cake the sun was out although the wind was cool. This concludes this year's midweek outings and we look forward to more in 2019. A special thanks to our midweek captain and organiser Ray Farley.

Clubrooms Progress

Stage 1 of the car park is almost complete for now. Grass will be re-sown over the top next Autumn. A big thanks to Steve Payne and Bill Melican for their generous efforts. The plaster in the kitchen and toilets is ready for painting and Harry and his team have been assembling cupboards for the kitchen. Keith and Ian Wilson have kept ahead of the plumbing and electrical work. An amplified sound system has been installed and tested. Hi quality floor coverings will be installed. Bitumen repairs to the entrance off Ziegler Parade and to the roadway around the Clubrooms will be tackled by Club member and expert asphalter Stewart Jones. So there is finally a light at the end of the project and the focus will be on satisfying the requirements of the Council Planning Permit & Building Permit to gain a Certificate of Occupancy, hopefully within a few weeks!

Around the Traps

Following our visit to Food Share in Warrnambool 4 months ago, members have been generous in donating cash and food, at our General Meetings. So far, 8 boxes of food and \$180 in cash have been delivered. Our November meeting will be the last chance as a Club to donate food or cash to this worthy cause. Food Share will also receive 25% of proceeds from Harry Drostes kitchen and building materials 2-day sale on Friday 30 Nov & Saturday 1 December at an industrial shed at 13 Rooneys Rd . Our Club will also receive 25% , which will go towards our Clubrooms Project.

Planning is underway for the Annual Lake Pertobe Display on Sunday, 13th January and this year's theme is 'Cars from the '50's & 60's.' Members are requested to participate, particularly with set up and pack up. Cars to be on site by 9 am for a 10 am public display. Proceeds, after expenses, will be shared between Moyne Health Services and Food Share Warrnambool.

And don't forget the Clubs Christmas Lunch, to be held at the Allansford public hall, on Sunday, 2 December at midday. Those intending to go should contact Natalie with names and numbers, no later than 25 November. Pay on the day. After lunch, the Clubrooms will be open, to enable members to see the recent progress.

HOW UNLUCKY CAN YOU BE?

May 6 1910

A man named Charles Cox was proceeded against for "propelling" a bicycle after dark without having a light attached. It was stated in evidence that Cox was overtaken by darkness and was walking by the side of the machine when the inspector met him. The magistrate dismissed the case, stating that it was ridiculous to prosecute a man for wheeling a bike along a street, while it was no offence to carry a ladder or wheel a perambulator. The Council appealed to the Full Court, which reversed the decision, stating the magistrate was in error in law. Yesterday Cox was again before the court, and ordered to pay a nominal fine or go to gaol for five minutes.

"Charlie" has a number of social engagements to fulfil during the Warrnambool season This afternoon he will visit Allansford, and afterwards call at the Warrnambool State School, arriving there at 4 o'clock p.m. In the evening he will be at Parker's garage, and several of the business houses. On Saturday afternoon the football oval will be visited, and at both sessions at Civic Pictures on Saturday "Chaplin" and his clown and dogs will appear on the stage.
