Cover Car

1969 Series 2, 2 + 2 coupe, 4 2 litre manual. Originally imported into the USA with LHD. Returned to the UK in the 90's and converted to RHD by Jaguar UK. Given a bare metal respray at that time. Exported to Australia around 2010 and driven in Melbourne before being given to Spiteri's Jaguar for a complete nut and bolt rebuild and another bare metal respray in 2013. Engine and gearbox, all suspension parts have been renewed. While not perfect (who is?) the current owner (me) is very happy with the level of finish of this gorgeous creature. Allegedly the most beautiful car in the world according to Enzo Ferrari and I am inclined to agree.....

President's Report

G'Day All,

As this is the first newsletter for 2019, I hope all members had a Very Merry Christmas & Happy New Year Break? The New Year's Parade in Port Fairy was a great night which saw about 30 members turn up in their cars, a good night had by all!!

Our annual Lake Pertobe Display Day on Sunday 13th January was an excellent day with perfect weather!!! Roughly 120 Cars, 3 Tucks, 6 motorbikes, old engines, a couple of lovely young ladies with a Go-Kart Stand & the Brodie Bros 2 "A Model" Fords (car & tractor) Some comments were heard about the "A Model" tractor such as "I remember seeing that at the Warrnambool Sale Yards or Wangoom Tip when I was a kid"

Also on behalf of the committee & myself, a BIG THANKS to the members who helped out on the day setting up, the BBQ, manning gates, car parking & cleaning up. (A BIG TICK TO ALL!!)

Don't forget Australia Day Breakfast on January 26th at "THE NEW CLUBROOMS" The club BBQ will be on, but bring your own BBQ if you have one. The January General Meeting will follow breakfast.

On February 6th a Safety Check Day will be held in Port Fairy at Daryl Jago's at 5:00 pm.

Also in February, we have the Sungold Field Days.

Sunday 19th May, around the garages will be in Mount Gambier.

Sunday 2nd June, will be a Bunnings BBQ. More about these in future newsletters

SEE EVENT CALENDAR OR CONTACT MAX or JOS FOR DETAILS. - SAVE THESE DATES

Progress at the clubrooms is very near the end!!!! Check this out at the Australia day Breakfast....

Congratulations to Jack Gore who turned 91 on Sunday 13th January. WELL DONE JACK & KEEP ON MOTORING!!!

To all not feeling well, a quick recovery to you.

Until Next Month, Safe & Happy Motoring to all.

Regards "Chisel"

HUMOUR

A fixer –upper – just needs a buff up.....

A sign used in Australia to advise that slow drivers are about to temporarily increase their speed

Four engineers get into a car. The car won't start.

- The Mechanical Engineer says :It's a broken starter motor"
- The Electrical Engineer says 'It's a dead battery"
- The Chemical Engineer says "It's impurities in the petrol"
- The IT engineer says"Hey guys, I have an idea. How about we all jump out of the car and get back in again!"

Spotted at the Lake Pertobe display, President Chis and his possible twin brother by another mother. Apart from the obvious similarities, both are into Harley's

The Battery Drive is still on. Batteries can be left at the Dillon's or Chislett's farm, or at King Cole or call Andrew Serra and he will come and pick up. Thanks to everyone helping with this continuing fundraiser. The price is up at the moment so please keep them coming in.

Update on the Brodie Bros.

Club representation was requested at a meeting on 8th Jan by the executors of the Brodie Estate, to discuss the upcoming Clearing Sale (Saturday, 9th Feb, at 9.30am). We had submitted an Expression of Interest in October, to ensure that certain vehicles would not go out of the district, or worse still, scrapped. Club members Ted Drake (Committee member & A Ford owner), Murray Murfett (Promotions Officer) and (President) Ian attended, along with representatives of the Wangoom Hall Committee, who have been given the job of organising and preparing for the sale. The executors agreed that examples of the Brodie Bros ingenuity and innovation should be kept out of the sale, to become a tribute display in the future. It is understood that the proceeds from the sale of the land will form the basis of a philanthropic trust. It is also understood that the Trust would retain ownership of the vehicles etc. however no decisions have yet been made as to who would become the custodians. The items to be retained include several of the A Model vehicles & rural derivations, plus other suitable display material. To assist with the identification of A Model parts, Graeme McLeod, Ted Drake and Martin Dunstan along with other members have had a lot of fun separating the bits and pieces (e.g. nine A Model engines!). In addition, Martin has been taking images of the vehicles and spare parts in their sheds before removal, to keep a record and give any future display some context. Adam Edge has also taken aerial footage of the farm using his drone. The executors agreed to allow the vehicles to be displayed at our Lake Pertobe Day, and this was arranged by Willy Bentner. The Club has been invited to assist the Wangoom Hall Committee in setting up for the clearing sale and further working bees will continue until then. Any Club members keen to assist could ring Murray Murfett (ph 0428 914 848)

Like bees to a honeypot, there was plenty of interest in the Brodie built tractor, which was adapted from an A Model Ford, using the rear end from a Bren gun carrier.

November Monthly Club Run to the Ansett Museum Hamilton and Burnbrae Homestead Penshurst

On Sunday 25th November around 25 members in their finest mechanical vehicular conveyances proceeded up to Hamilton to the Ansett Museum where much oohing, aahing and “I remember those”, “I went in one of those” was uttered.

From there the group proceeded to the Burnbrae Homestead where a magnificent afternoon tea was consumed. Way too much sponge cake, club sandwiches biscuits and much more delicious food was provided for a very very reasonable \$10 per head. Highly recommended as easy afternoon an excursion!

Christmas Lunch at Dennington Hall

Once again club members gathered at Dennington Hall for our annual Christmas lunch. Around 65 members availed themselves of this opportunity to celebrate club friendships and enjoy a wonderful spit roast lunch and desert. The raffles organised by Karen Carter were almost overwhelming. The generosity of members and local businesses to providing prizes meant that there were many raffles including the enormous first prize hamper pictured on the right – well done Karen.

After the lunch quite a few members visited our new clubrooms which are gradually inching closer to completion with our first official meeting tantalisingly close. Thanks also to Natalie for organising the décor of the venue in suitably Christmassy detail.

Clubrooms Update

Things are rapidly moving on and since the last report, the bitumen crossover has been repaired and surplus soil and masonry blocks have been sold. Inside, the vinyl flooring, plastering of the kitchen and toilets is complete and painting and tiling is well

underway. 800 pre-loved carpet squares from a Melbourne supplier have been ordered. Kitchen cupboard doors and bench tops should arrive in a couple of weeks and the installation of plumbing fittings will follow. Some external drainage works are also required. In the meantime, grant applications for finishing works have been submitted. Several members have been extremely busy in attempting to get sufficient works finished in the hope that we can hold the February Meeting in the clubrooms.

A BBQ (BYO) and site inspection for all members will be held at the Clubrooms on Saturday, 26th Jan (Australia Day) commencing at 8.30am. Prior to this, there will be a working bee held on Monday, 21st Jan, commencing at 10 am, for the purpose of a major tidy up prior to the BBQ. All invited! Bring cleaning equipment. Thanks.
