Cover Car

This is what happens when you start out to fix a leaking windscreen. A lower level touch up has now blown out into a full body respray. I have been assured that it will be all back together for the next issue of the newsletter, or maybe the Xmas Dinner (the one in December that is.... ☺)

President's Report

G'Day All,

The May general meeting saw a good rollup of 80+ members. The secretary and membership officer were kept very busy with membership renewals.

Our BBQ at Bunnings on Sunday 2nd of June turned out to be a cold miserable day but we still sold out of sausages and more supplies were called for. All in all a successful day was had and many thanks to the members that braved the Warrnambool weather to help out.

The working bee held at the long weekend saw only eight turn up (probably not a good idea to have a working bee on a long weekend!) Anyhow work went ahead on the new boundary fence on the west side. This was erected and finished thanks to Doug and his tractor and post driver. Pine posts were driven, six plain wired strung and a twelve foot gate was swung!!! Job finished – well done.

Don't forget the sale of left over materials at the June general meeting and also the next day Saturday 29th. A sausage sizzle will be available.

The official opening of the new clubrooms has been suggested to be Sunday 30th October. More on this at the June general meeting.

The AGM is only three months away and as all positions are made vacant it is time to think about filling these positions.

Until Next Month, Safe & Happy Motoring to all.

Regards "Chisel"

Don't forget membership must be paid by June 30th

The Battery Drive is still on. Batteries can be left at the Dillon's or Chislett's farm, or at King Cole or call Andrew Serra and he will come and pick up. Thanks to everyone helping with this continuing fundraiser. The price is up at the moment so please keep them coming in.

The Front Page

The editor is always on the look out for interesting member's cars to feature on the front page. If you would like your pride and joy or even work in progress to feature please contact the editor. (That's interesting cars not actually interesting members). Other car(ish) related articles are welcome.

Mount Gambier – “Round the Garages” 2019 (part 1)

On Sunday the 26th May an intrepid group of about 20 WDHVC adventurers ignored the dire weather forecast and set off interstate to the Mount Gambier Round the Garages event. The early start was challenging but by 9:00 am all members were at the Mount Gambier club rooms tucking into tea, coffee and scones – jam and cream or fruit or possibly both. The day consisted of four different venues offering four quite different collections from garaginalia with hot rods, speedway, classic boats and vintage restorations, off road racers, a concentration of British timeless elegance, then steam traction and stationary engines finishing with a multitude of vintage farm tractors. The weather, though a bit blustery with odd showers, was good right up until it was time to return home. Then it was rain and wind of biblical proportions. A certain mustang's windscreen wipers packed it in after a few minutes leading to a bit of an adrenaline charged final 80 kilometres!

To be continued....

Federation Report May 2019 – Kerang

CPS – Vehicles that are on the Club Plate Scheme, please check your insurance fine print. It was found that a member of a club went through his policy and found that his vehicle was not covered for "commute". Probably a wording and coverage from the time before log books, when a vehicle was used only for club sanctioned runs.

Please also check for renewals of your rego and permits. From July 1st, a third party will be sending out registration renewals. VicRoads – Third party – Owner.

If a CPS Vehicle visits a garage for work and is there for a couple of days and is test driven during this time, a trade plate overrides the necessity to fill out a page in the logbook.

Golden Oldies Tour for 2021 will be in the area of Bendigo/Echuca/Sunbury. Leaving from the Wunghnu Federation Picnic.

Kerang had their first Federation Picnic on 19th of May, this picnic will be rotated between Kerang, Echuca, Deniliquin and Swan Hill. Echuca next year.

Robert Shannon Trust, applications for grants will be looked at in July when the AHMF meet for their AGM in July. If anyone wants to apply for a grant, it must be sent to Neil Athorn by early June.

Luxury Car Tax – Fuel efficient Vehicles over \$75,000 and any other vehicles over \$66,331 no matter what the age is. The AHMF were going to lobby the Federal Government to have the tax removed. The State Government put that idea aside when they indexed the tax in the May Budget. Currently the tax is set at 25% at the thresholds above, if the budget is passed in full, the tax will be 33% in Victoria. Also the tax will add an extra 7% when the vehicle reaches \$100,000 and an extra 9% at \$150,000. An example is a Toyota Sahara Landcruiser which has a list price of \$124,673 prior to any extras. 2,034 Land cruisers were sold in April. NSW Government were going to implement a 7% tax for vehicles over \$100,000 they lost the election and the tax was not introduced. A backlash from rural NSW opposed the tax when the land Cruiser was going to be hit hard.

Swap Meet – One wrist band for the three days for site holders, one colour for outside sites and a different colour for inside sites. A couple of characters were found to be hiding in the big shed at closing time and were dealt with. 34 small bins for garbage accumulated 21 tonnes of waste. A disaster plan is currently being worked on for the next swap to be held on the 17 and 18 of November.

Next Meeting is to be held in Mildura on August 3rd followed by the AGM.

Hobsons Bay Mens Shed Motoring Group are to hold the last meeting for the year on 19th of October.

Ashley Wright and John Welch.

Hamilton Club Meet

On Saturday 8th June some of our club members attended the Hamilton Club Meet. Over 130 cars were registered as attending.

Fran Beks

Coffee Run to Simon's at the Surf Club

On Thursday 13th June approximately 25 club members enjoyed a convivial coffee with cake at Simon's restaurant on the Warrnambool Beach Front.
