Cover Car

This is Daryl's first venture into the mysteries of British Motor Engineering with its small oil dripping engines etc. Except this vehicle is anything but small and heaven help it if it should be "drippy"

A 1990 XJS 5.3 litre V12 with sumptuous cream leather interior. Daryl wanted a comfortable long legged tourer and this gives it in spades.

President's Report

G'Day All,

A good turn up of 70+ members at the General Meeting at Allansford, saw a lot of members browsing through the items for our sale/auction. Some items were purchased at the meeting. The next day being Saturday, the day of the auction/sausage sizzle, "MURPHY" (you all know Murphy) stepped in and 30mm of rain with a howling cold Nth-West wind lasted all day. No sausage sizzle and one buyer (thanks Damien)

At the July Committee meeting it was voted and passed that in accordance with VicRoads and the Federation, ALL VEHICLES 25 YEARS OR OLDER WILL BE ACCEPTED FOR C.P.S. (red plates) N.B. more on this subject to follow at the general meeting. It was also moved that the Club appoint a C.P.S. (red plate) Officer at the A.G.M. in

September. This will ease the pressure on the Secretary and Membership Officer. Don't forget the A.G.M. is only 2 months away and all positions will be vacant.

The official opening of the new clubrooms will be on Sunday October 27th at 2:00pm. A great day for all to attend.

The 2020 calendars are almost ready for print, be early in ordering these and see Ken Perrett/Ian Rees.

On behalf of Committee and Members I would like to pass sincere condolences to Natalie and Family on the sad passing of her father.

Your Membership is now Overdue.

Until next month, Safe and Happy Motoring to All

Regards "Chisel"

Building Subcommittee Report

Dear Members,

Well, the Clubrooms are operational and looking wonderful with a very high standard of finish. Something for all of us to be extremely proud of. However there are still little jobs to be completed, if anyone has the expertise and willing time to spend, please let the Committee know.

One cannot help but be impressed by the quality of work in the toilets and kitchen area. This did not happen by accident, as so many people put countless hours into the project during the two years of renovations.

As Chairman of the building subcommittee, I take this opportunity to thank Renae Droste, Ian Wilson and David Serra and all the people who contributed in so many ways, be it time or donations. Without your help, this project could not have been achieved.

Apart from working hours recorded, the Sub Committee had more than forty planning meetings during that period. I am proud to say that through, at sometimes difficult circumstances, they never lost sight of the final goal.

Every member contributed in their own area of expertise and as a team. This Club is indebted to the following Subcommittee members for this project and I thank you all. I was a pleasure working with you.

Ian Chislett, Karen Carter, Annette Coulahan, Harry Droste, Reg Dumsney, Ray Farley, Geoff Houston, Murray Murfett, Ian Rees, Keith Toohey

Regards Doug Byron (Chairman)

The Battery Drive is still on. Batteries can be left at the Dillon's or Chislett's farm, or at King Cole or call Andrew Serra and he will come and pick up. Thanks to everyone helping with this continuing fundraiser. The price is up at the moment so please keep them coming in.

Mount Gambier – “Round the Garages” 2019 (part 2)

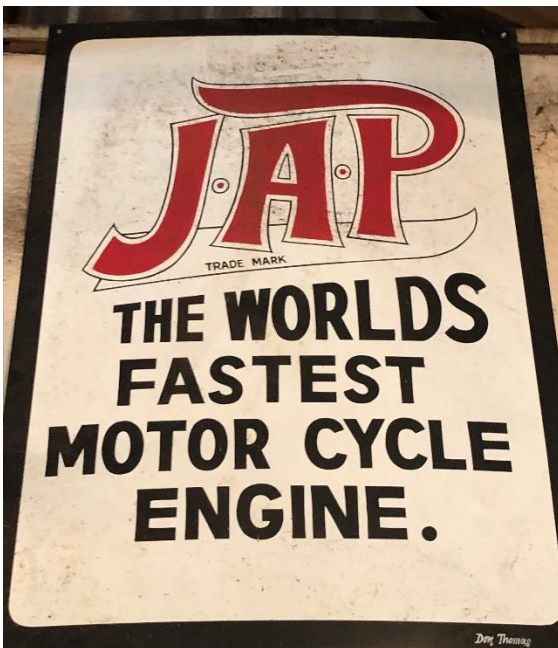

Roger Warburton's "Shed" at Penshurst Schramm's Garage

On Sunday 30th June around 30 club members attended an opening of Roger Warburton's shed at Penshurst. It was indeed a privilege to view such an eclectic collection of materials in this very original old fashioned mechanics work place. An absolute cornucopia of garaganalia from times long past and some not quite so distant (for some...). There were many members walking around and pointing out things that they remembered (or indeed had similar items in their collections). Quite often the discussions went along the lines "if I'd known how collectable it was I would never have taken it to the tip....."

After a wonderful wander around this jam packed garage the group then drove back to Koroit to the Garden Centre for afternoon tea – excellent coffee and great scones!

Meeting Closed at 10.40pm

Coffee Run to Cheeseworld

On Thursday 11th July approximately 25 hardy souls braved freezing temperatures and gusty rain to visit Graham Conn and his team at Cheeseworld to see the Ruston running and to enjoy coffee and cake.

Federation Report - July

The AHMF (Australian Historic Motoring Federation Inc) will be holding the 2020 National Historic Motoring Festival next year between Saturday March 28th and Friday April 3rd.

Vehicles that are included in the Festival – Veteran, Vintage, Post Vintage, Historic 50's, Historic 60's, Historic 70's, Historic 80's etc up to 1995, Commercial Vehicles, Historic Motorcycles, Historic Caravans, Tractors and Traction Machinery.

This is the first national festival to be held since the Shannons 2001 Tour in Canberra, and it is hoped that one will be held every 5 years rotating the states.

Nationally the sums have been done as to the financial benefit of the movement and considering the running costs of our vehicles, restorations and events that we participate in. The AHMF represents over 100,000 members, If each member spent just \$1,000 per year, combined we would spend in excess of \$100 million.

The event is focusing on the 'Next Generation' and younger people driving older cars. The movement has battled with the slow introduction of younger members, the AHMF are subsidizing the children entered for the festival, not driving though.

Some statistics of entrants so far:

30% are Veteran and Vintage, 50% are pre-1960, 50% are 1965 to 1995, 85% have 2 or more entrants per vehicle, the youngest driver so far is 21 years old and driving a 1923 vehicle and the oldest driver so far is driving a 1948 vehicle.

If anyone would like to enter and have access to a computer, go to www.ahmf.org.au/2020Tour. If there is no computer, you can write to Christine Stevens at PO Box 246, Nundah, Qld, 4012. Or you can ring one of the four Festival Coordinators, two are in Victoria. John Kennett 0419 599 066 or Neil Athorn 0408 033 839.

The Bendigo Swap is under 4 months away and this is the major fundraiser for the Federation to complete what they do over the next twelve months. There will be a gate roster doing the rounds over the next two months, members are asked to spend an hour or two on the gates at the swap. The club receives a payment per hour per gate volunteer and the volunteer receives a free weekend entry to the swap. All round, everyone's a winner.

Next Federation Meeting is in Mildura, held by the Mildura Vintage Vehicle Club, on the 3rd of August, followed by the AGM.

John Welch and Ashley Wright
