## President's Report

Hello to all members, partners and their families,

Lake Pertobe was a success again with about 150 Vehicles plus old engines which were on display. Thank you to all volunteers who helped on the gates and the BBQ and other jobs that made it a success. We raised a lot of money from the gates and we will be making a donation to the new Special Development School in Wollaston Road.

The new fencing footings which we fabricated late last year worked well and made it much easier to erect and pull down the fences. Thanks to Brian Cuolahan for having a backup generator for us.

Australia Day BBQ and General Meeting went off well with about 70 members and partners attending. There was a good turnout of cars and the weather was perfect. Thanks to the Wolff's for the donation of a 2 day stay at Pelican Waters and Jenny and Kevin Hickey won the raffle - enjoy your prize.

The Federation meeting was held at our club rooms on the 8<sup>th</sup> and about 90 people attended. Thanks to all the volunteers who cleaned and set up the meeting rooms. All seemed to come together well and the visitors were impressed with our new facility. Thankyou especially to the women for the lunch and afternoon tea. Congrats to Ian Rees for winning best car of the day.

Thank you to Harry Droste for building and installing the library with the help of Doug and Annette.

Car runs from old folks home are starting again this month so if you can help with a car for a nice drive give myself a ring.

To all who are not feeling well, I hope you are feeling better soon.

**Ken Perrett, Club President.**

*A thing of Beauty is a Joy for Ever*

**The Battery Drive** is still on. Batteries can be left at the Dillon's or Chislett's farm, or at King Cole or call Andrew Serra and he will come and pick up. Thanks to everyone helping with this continuing fundraiser. The price is up at the moment so please keep them coming in.

**WANTED: 1940-50's car for music video:** We have had a request from local girl Kim Gillie, who is planning on doing a music video with a group to a song sung originally by the ANDREWS SISTERS "Oh Johnny" and are looking for a car similar to the one below (preferably convertible) from the 1940-50's era. Filming sometime between now and May next year, and will be in the local area. If anyone has a car similar to this and would love to be in a music video please contact Kim Gillie on 0413297312.

## Lake Pertobe Car Show 12<sup>th</sup> January 2020

After a drizzly start the crowds came with the afternoon sunshine. An excellent turnout of cars, trucks and machinery. The line-up of 20's "gangsta" cars was impressive indeed. The catering crew were kept busy with egg & bacon sandwiches for the hungry club members and the general public. All in a great day. A special thanks to those who helped setup and just as importantly cleaned up at the end of a long day.

Looking suitably menacing in true roaring 20's style ☺

**The Egg & Bacon Gang**

**It's not over till the clean-up is done and these workhorses were well used. 😊**

**Meanwhile in a galaxy far far away..... (A Chevy not a Galaxy in fact)**

## Australia Day Breakfast and Monthly Meeting at Tower hill.

January 26<sup>th</sup> found over 50 members and their associated cars getting together at the Tower Hill picnic grounds for a BBQ breakfast and the January Monthly General Meeting. Drop bears were spotted and the overly friendly emus were there in force stealing food off the BBQ table.

## Mid-Week Coffee to Settler's Hub, Wangoom.

On February 6<sup>th</sup> 23 club members attended a run to Wangoom Store for afternoon tea. A beautiful day for bring out the drop tops ☺

## Running Board Picnic, Peterborough

On February 16<sup>th</sup> 24 members enjoyed a Sunday run to Peterborough for a picnic / pub lunch. Members made the journey in a variety of cars.

- Bay to Birdwood – Open to all cars. Cars 50+ given preference.
- March long weekend – Casterton Rally.
- Veteran to Vintage badges to celebrate 100 years of Veteran to Vintage eras were much sought after bringing out vehicles not seen for a long time to collect badges. The last 5 badges will be on the Federation website for auction, starting at \$100.
- Motor Vehicle Act regarding imports – If considering importing a 25+ year old vehicle then new rules and application forms will apply.

Ian Rees won the federation Award for his Reo

- CPS – Victorian Police are still considering how long you are to retain old log books.
- Small change on VicRoads website – VicRoads allows heavy club permit vehicles to be used for drought relief purposes (carrying donated hay bales). This will be for non- commercial purposes and for charity only. Fuel donations are not considered commercial payment.
- Stolen car data base – it works a little but not 100% correct. Because CPS vehicles are on a separate computer, the stolen records do not update on the National system.

- If there are more than 3 renewal signatures for CPS, there are only 3 per page at VicRoads so may need to ask them to check the next page for the complete list.
- There will be information coming up on the Federation website about written off vehicles register from the RACV.
- WWW Federation Site – Please have a look at the new WWW site. [WWW.federation.asn.au](http://WWW.federation.asn.au) Any events you have coming up can be advertised here.
