President's Report

Hello to all members, partners and families.

Thank you to all who came along to Lake Pertobe and helped out on the day. The weather was great and it all went well with a good turnout of vehicles.

We had a great turnout at Woolsthorpe for Australia Day breakfast and the general meeting. About 30 cars on club plates, plus owners and families attended. The weather was cloudy and a shower of rain or two.

Bunnings BBQ is on Saturday the 27th of February. PLEASE we need volunteers to run the BBQ. The day is a good money raiser for the club. Please Contact Karen Carter Mobile 0458692270 and VOLUNTEER TO HELP THANKYOU.

We are trying to get our end of month Sunday runs back to normal. There is a run organised for the end of February. Please check the events calendar for details.

We need a Club Captain to Organise the end of month Sunday runs. It is not that hard to do. If you can do this then please put your hand up. It doesn't have to be just one person as more than one person can work together to organise the runs. Talk it over with your mates, it is a bit of good fun.

Apologies to the Hinkley Family and Automotive Service & Repair Centre for account that had been mentioned in the December Committee Minutes when the account had been paid by then. Automotive Service & Repair Centre is a good Business and a sponsor of our calendars and our newsletters. I will be taking my Customline there for a roadworthy soon. Please support them.

We need to be supporting all our sponsors and so I will be mentioning a couple of sponsors in my president report each month. HAMMONDS PAINT AND BREAKWATER INSURANCE BROKERS Support these businesses if you can thank you.

General Meeting last Friday Night of the Month 7-30 P.M. START. Please come along and comply with COVID restrictions as required at the time and bring a mask and wear it if it's required.

To all who are not feeling well, I hope you are feeling better soon.

Ken Perrett, Club President.

Club Name Badges:

I have badges that have been ordered and made but not picked up from: ***Heather Stephens, Des White, Sharon Hurst, Rob Umney and Craig Irving.*** Please call or see me or Ken Perrett to pick them up as you have paid for them. I have two more badges to order so if anyone would like a badge then please see me or call me before end of this month (February) and I can put them all in the same order.

Cars & People at the Australia Day Breakfast

A great turnout for the Australia Day BBQ and monthly meeting at the Woolsthorpe BBQ & Tennis Courts. Despite the drizzly weather club members came in their 'good' cars (though maybe not convertibles...)

Bounce House Castle to a Classic Car Collection

On October 24th there was an auction of one man's car collection in the middle of the US in Hutchinson, Kansas. The collection had not been open for general public display and it was the first time many of these cars had been seen by the public for a long time. The collection was owned by Bob Regehr who died last year at the age of 79. He was from Hutchinson and with his wife, Judy, patented the inflatable bounce-house inflatable castle in 1972, now commonly used as an attraction for kids to jump in. Bob owned three Texaco service stations in Hutchinson, which gave him the opportunity with money made from the invention to buy interesting cars that came in for fuel. He started collecting cars as a 14 year old and accumulated more than 260, but by the time of his death he had about 140. These included 22 1932 Fords, including two roadsters, two phaetons, and two unrestored B-400s. Bob accumulating parts for '32 Fords, including grilles, chassis, dashes, etc. The collection also includes other Fords from the '30s, '40s, and '50s and other makes including several C1, C2, and C3 Corvettes. A few '57 Chevys are also present, including one convertible. The remainder of the collection consists of other makes of American cars and trucks from the '30s to the '60s.

My son David lives about 50km from Hutchinson and managed to get some casual work on preceding weekends to help get the cars out of storage and arrange them as well as helping on the day of the auction. The photos below show the cars on display at the local showgrounds before the auction. The Fords were carefully arranged by year.

It was about 8 C on auction day and everyone was well wrapped up. The auction was conducted by Van Der Brink Auctions and Yvette Van Der Brink the owner of the auction company was on the flat bed of the truck at the right of the photo helping to do auctioneering. Not much social distancing or mask wearing but a big crowd anyway.

I took screen shots of some of the cars that were auctioned and the sale price which is in US\$.

1932 Ford Original Grill: \$2500 1928 Ford Model A 4DR Sedan: \$6750

1932 Ford B400 2DR Conv Sedan V8:

\$99,000

1932 Ford 5 Window Coupe: \$59,000 1932 Ford Cabriolet \$43,000

1936 Ford Tudor Sedan: \$13,500

1946 Ford Pickup: \$10250

1955 Chev Nomad Wagon: \$48,000

1957 Chev Bel Air Convertible: \$72,000.

And finally a 1956 Corvette which sold for \$46,000. Would have been great to have been there (wearing a mask) to see the cars.

Sunday 21st March - Saturday 27th March 2021

9th November 2020

The 2020 event was cancelled though many of us still want to go for our holiday to Albury - so I have put it together for you.

To date we have 220 adults and 7 children indicating they wish to attend in 116 vehicles. 21 of the initial entrants cannot attend and we are yet to hear back from 268 people.

The event has been scaled down a little; it is planned for the same time next year - assuming Australia will be "partway normal" and restrictions are lifted further. It is starting to look promising!

There will not be a Display Day, High tea, Track day or Morning tea and lunch packs.

Bring your Souvenir Tour Books and go for a drive. If you have misplaced your Tour Book (or given it away) we have limited stocks available for sale @ \$30 each (or discounted at \$35 if you want this posted).

We are happy to announce, SS&A are supporting us in 2021.

This rally to Albury is the 20th to 27th March. Anyone wanting to come should ring Roy Beggelhole ph:55628169
