President's Report

Hello to all members, partners and families,

The Club recently had a visit from 27 People from Mildura. Seven of our members and their cars plus the Rambler limo took them for run around the district. We had morning tea at the club house and continued back to Warrnambool around some sightseeing spots. Thank you to the drivers, the ladies for the morning tea and Carole and Bryan for organizing the run.

The Citroen Car Club also visited the Club Rooms and had tea at the Allansford Hotel. It was well attended by over 50 people.

There will be a working bee at the club Rooms on Tuesday May the 4th at 9.30 a.m. The work involves removing a wall. Contact me if you can help.

Mother's Day Lunch is Sunday May 9th at Woolsthorpe Hotel. Contact Karen Carter or give your name at the General Meeting at end of this month so that Karen can plan the event.

Midweek Coffee Run on May 13th leaving Club Rooms at 1pm to Latte on High Street Terang. Details are in the calendar of events and if you need a ride give me a call.

The Club Rooms will be open Sunday May 16th from 2 to 4 pm for signing CPS forms and Membership Renewal and anything else you want to know plus buying some surplus library books and Club memorabilia. Pay your subs and come and have a coffee and chat.

Support our calendar sponsors and this month Seacombe House in Port Fairy and Warrnambool Radiators.

Betty and myself had our 50th Wedding Anniversary, We travelled over to The Warf Café Port Fairy. It was the first outing in the Customline – see photo below.

To all who are not feeling well, I hope you are feeling better soon.

Club Membership Subscription renewal

Timing

Membership subscription renewal time is upon us and your subs expire on June 30th. Subscription renewal forms are being sent out this month. Members who receive newsletters by post will get the form with this newsletter. Forms will be emailed to all other members. If you don't get your form by end of April then please contact me.

When and how to pay

The Membership Term is July 1st to June 30th. Membership subscription for this coming year is \$70 and is due and payable by June 30th. Subscriptions can be paid by direct deposit, cheque or cash. A Club Member who has not paid their subscription by June 30th is no longer a financial member until it is paid. VicRoads requires that Club permit holders must ensure financial membership is maintained at all times whilst holding a club permit.

Include name **and member number** in the description field if you pay online so that we know who has paid. The member number is especially important for members with more common surnames such as Smith and Jones and Rachmaninov. Direct deposit is preferred as it saves time for the Treasurer having to bank cash and cheques at South West Credit.

Review and revise and return your form

The forms have been revised and look a bit different but the information on your contact details and CPS vehicles on club plates has not been changed.

Check the information on the form, especially contact details, revise if necessary, sign and even if there are no changes **return the form** either by email, mail or return at a Club event.

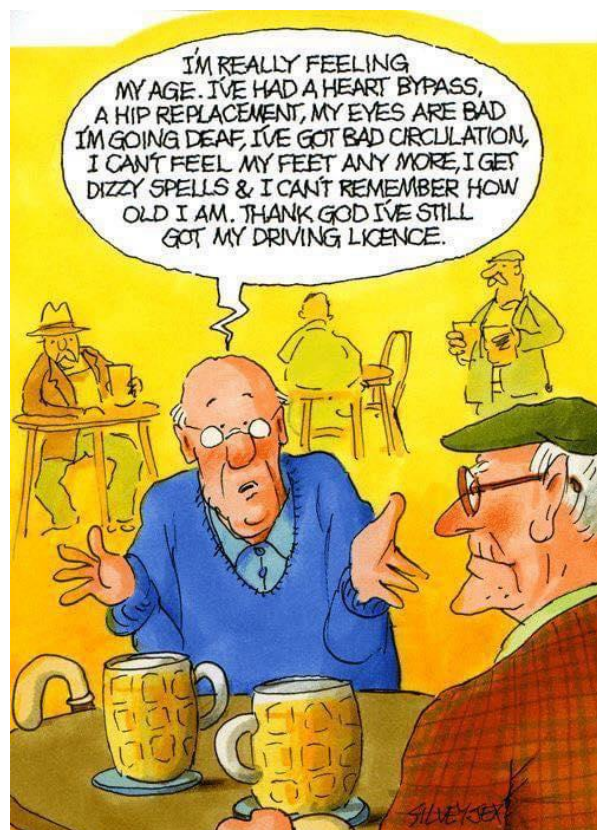

If you receive the newsletter by mail and do have an email address, then please consider ticking the box to receive it by email. That saves the Club about \$30 per year for each member and makes the task easier for our volunteers who pick up the printed newsletters, fold, tape and affix address labels to each newsletter and then take them to the Post Office. And it is much easier for me to administer members who receive communication by email.

Membership cards and receipts

Yellow member cards will **NOT** be mailed out. Come to a Club meeting and ask for yours.

Receipts will **NOT** be mailed out. If you want one, come to a meeting and ask for yours.

Gentlemen Start Your Engines !

Two of our Club members recently held long-awaited engine 'start-ups' of their rolling chassis. David Rentsch has given meticulous mechanical restoration to his 1911 Napier, while Erik Carlsson has been putting in long hours on his 1924 DI Delage, under the supervision of David Rentsch, (who has been restoring French Delages for more than 50 years). However David has recently 'crossed the channel' and is now restoring English Napiers, and has the makings of 3, all veterans, one of which, a 16 H.P. model, was ready to 'fire up'!

Erik and David decided to hold a joint 'engine start up' and just to add some pressure, a dozen friends and family turned up to share the experience. Fortunately, both vehicles pretty much started up 'first go', without any drama. Well known local engine reconditioner Norm McCulloch and 95 year old vehicle mechanic/collector/restorer Jack Brittain were on hand to keep an eye on proceedings.

The next stage for Erik will be to restore the original body, while David has to start from scratch. It will be some time before the restoration of the cars is complete but when they are back on the road they certainly won't go unnoticed!

Albury Adventure

On our way. 1st stop Skipton for toilet break and one car refused to restart. RACV called and early coffee break. When he came car started so a mystery as to why. Onto Talbot for lunch and walk around small pretty town. Through Lockwood, Morang, and nice drive to Shepperton.

Sunday. On our way to Albury. Had some heavy rain and Wally Wipers malfunctioned.

To Manor House Hotel. Our home for next 6 days. Thanks to Roy for organising our drive up and the great accommodation. Over to SSR club to welcome night. Finger food and great band. Kissin cousins. Carol won a beat costume prize and Roy was auctioneer.

Monday: A drive to beautiful Beechworth and Yackandandah

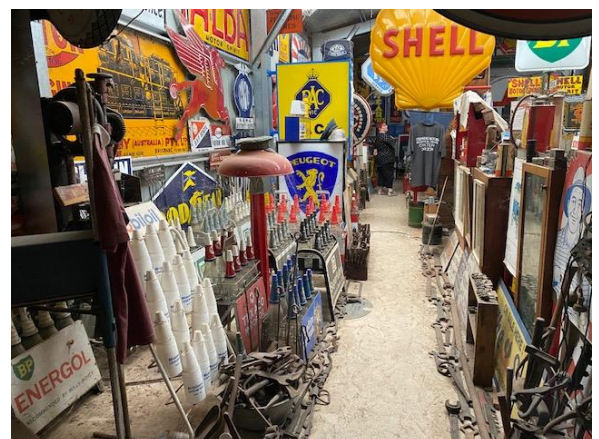

Tuesday: To. War Museum, very interesting and informative, with great displays about the wars. Tour around area and back to hotel. Happy hour at club each day at 5pm

Wednesday: Drive to Barnawatha to Gordon Stevens home museum. Great restoration of petrol pumps (50), signs, oil baskets with oil bottles. (About 110) 2 classic cars and a huge collection of man cave treasures. He had been collecting a long time and owned his own mechanic's shop. On to Chiltern for lunch and stroll around. Great Lolly shop. Most had a bag of lollies when we left. Then onto Rutherglen to winery and wine tasting and then to old flour mill for chocolates and whiskey (no whiskey consumed).

Thursday: Some of us went to the library to an exhibition on the Bonagilla experience. (This is a migrant camp in NSW where Harry spent 3 months interned when arriving from Holland in 1952). The actual camp is open Saturday to Monday which we missed.

Friday: A drive to Jindera to an interesting museum and home set up with early day furniture, clothes, lots of memorabilia. Tractors, wagons, etc. at front of store was a shop display. Took me back to our childhood. Then onto Morgan's rock lookout. We made the climb to the top for beautiful views of the countryside and mountain ranges. To Walla Walla for a look at car showroom with FJ Holden and 2 other cars. A 2012 Monaro; never driven, and a canary yellow commodore also never driven.

Lunch. Lots of eating on this trip. Onto the Ettamogah pub for a beer and look around and talk to cockatoo. Back to Albury and to farewell night at club. Finger food and Jazz band.

Saturday: Up and most of us on our way home after a great week of touring and fun.

Thanks to everyone for the great company and fun time.

BBQ and Childer's Cove Run

A group of about 30 members and 20 cars met at the clubrooms for a BBQ and then a short drive to Childer's Cove. A lovely sunny afternoon with spectacular views of the cliffs, the cove and the sea. The President had his latest creation out for an airing.
