### I'm Tired

Yes...I'm tired. For several years now I've been tired and blaming it on middle age, droop, poor blood, lack of vitamins, air pollution, saccharin, obesity, dieting, under arm odour, and hundreds of other maladies that make you wonder if life is really worth living. BUT, now I find I'm tired because I'm overworked. The population of this country is 25 million but 8 million are retired. That leaves 17 million to work. There are 7 million at school. That leaves 10 million to work. Of this total 1 million are unemployed and 5 million are employed by government. That then leaves 4 million to work. Then 3 million are employed by council and local shires that leaves 1 million to work. There are 620,000 in hospitals and 379,998 in prison. That then leaves 2 people to work. You and me....and you are sitting on your backside reading this. No wonder I'm bloody tired!

## President's Message

Hello to all members, partners and families,

I hope you are all well and that life is back to normal for you.

I would like to thank the members who have been working on preparing for pavers out front of the clubroom. We are hoping to finish off the front of the clubroom and have a nice entrance. Also, thank you to Annette and Brian for the gardening in the car park area and recently spreading the wood chips around the shrubs. Looks great!

Cob Owen bequeathed \$5000.00 to our club. On behalf of all Club members, thank you to Faye for the nice card and the cheque.

We need ideas for end of month Sunday and so please let the committee know if you have any ideas where you would like to go.

There will be a General Meeting this month on Friday, April 29th at 7-30 P M at the Club Rooms. Come along and have a cuppa and a chat after the meeting. Since membership renewal is now in progress you can come along and pay your subs renewal and return the membership form updated and signed. Also, as usual Club pens will be for sale and CPS renewals can be signed and any other thing you need to discuss.

The May Coffee Run is to The Phoenix Cafe opposite of the Warrnambool Hotel Thursday 12th of May. Meet there at 2pm.

There will be a free BBQ at the club on rooms Sunday 29th of May. We will be there from 11 am for paying new memberships or any other thing you need to know.

30 Members travelled to Lake Edge Café at Purrumbete for a good meal and tour of Camperdown.

Please support all our sponsors, Shannons Insurance and Penrite Oils  
To all who are not feeling well, I hope you are feeling better soon.

The Membership Term is July 1st to June 30th. Membership subscription is \$70 and is due and payable by June 30th. Subscriptions can be paid by direct deposit, cheque or cash. A Club Member who has not paid their subscription by June 30th is no longer a financial member until it is paid. ### **140 Baby Austins Berthed in Warrnambool!**

During the week prior to Easter, the Austin 7 Club held their National Rally in our district and you sure couldn't miss them buzzing around! Our own Club member Robert Baudinette was enthusiastic in bringing the rally here, with 257 people coming from states across Australia (including Bribie Island & Tasmania) and overseas, for what was the 100th anniversary of their production in the UK.

The highlight for the public was the fantastic line-up of 130 'Baby' Austins squeezed into the Fletcher Jones Gardens, with what could be called an Austin-tatious display of all body types including vans, sedans, tourers, box saloons, utilities, coupes, racers, chassis,

Aces, Meteors, Swallow, Ruby, Specials, and lots of 'Chummies', all of many colours. In fact, it was almost impossible to find two cars the same!

Austin 7's were built between 1923-1939, with a production of some 290,000, with many more built under licence in other countries, and so called '7's as their engines in 1922 initially started out as 696cc's, rated at just 7.2HP.

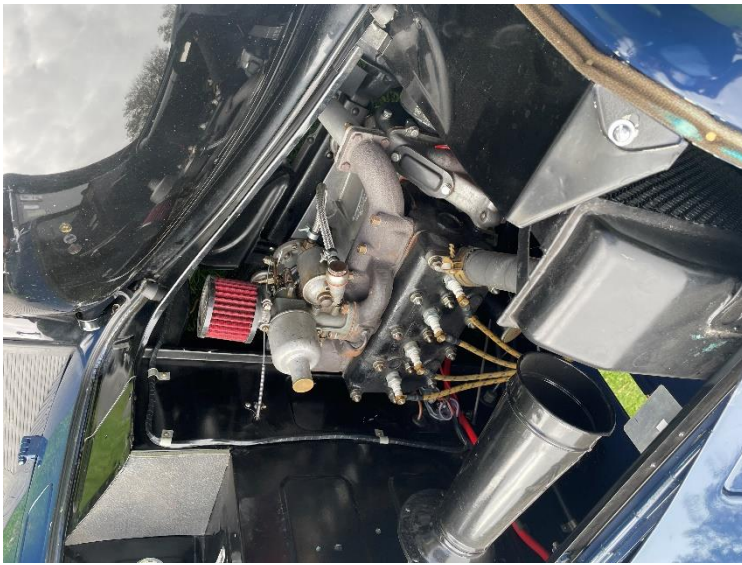

From a local perspective, the rally gave a real boost to both local and regional accommodation and food establishments, and much praise was given to FJ's manager, Troy Kelly for his support. And it was also an opportunity for our Club members to demonstrate how we can assist visiting rallies, through offers of trailer parking, local knowledge, promotion and parking attendance.

It is most likely that this was the biggest single-make vehicle rally ever to come to Warrnambool.

Well done to the organisers! - **by Murray Murfett**

## Update from Vic Roads on the New Club Permit Forms and VIN Stamping for Imported Vehicles

Dear Club representative

Please read on for the following updates :

- Alignment of VicRoads club permit forms with the Road Safety (Vehicles) Regulations 2021
- Commonwealth requirement - Classic and collectible vehicles imported from 1 July 2021 will be issued a VIN that must be stamped on the vehicle.

### **Alignment of VicRoads club permit forms with the Road Safety (Vehicles) Regulations 2021**

VicRoads has updated a number of Club Permit forms to improve the vehicle data collected by VicRoads, and to ensure that the correct permit types and club permit plates are issued to eligible vehicles.

### **What do Club Permit Scheme clubs and members need to do?**

The updated forms are now available on the VicRoads website at [vicroads.vic.gov.au](http://vicroads.vic.gov.au) for you and your members to use.

- Club Permit application form
- Club Permit reassignment form
- Vehicle eligibility and standards declaration form
- Approved club office bearers and scrutineers

**Please encourage your members to use these current forms rather than previous versions.**

### **Why have these changes been made?**

These forms now have an updated layout and align with the Road Safety (Vehicles) Regulations 2021.

### **Club Permit application**

- There are only four categories of Club Permit – Veteran, Vintage, Classic and Historic, and Street Rod.
- Each category now has a sub-category – either Original, Modified or Replica.
- The documents required for each sub-category are listed at the bottom of the form.

### **Vehicle eligibility and standards declaration for Club Permit vehicles**

- Now includes a record of the VASS approval certificate and Vehicle import details, where applicable.

### **Club permit reassignment and Club permit agreement**

- Re-ordering of the data fields.

### **Club Permit logbook**

- The Club Permit logbook has been updated to align with regulation changes.

### **New requirement - Classic and collectible vehicles imported from 1 July 2021 will be issued a VIN that must be stamped on the vehicle.**

With the introduction of the Commonwealth Road Vehicle Standards Act 2018 and Road Vehicle Standards Rules 2019, vehicles imported from 1 July 2021 that do not already have a 17-digit Vehicle Identification Number (VIN) stamped into the vehicle will be issued a VIN, which needs to be stamped on the vehicle.

**Club members who are considering importing these vehicles should familiarise themselves with the new requirements as explained below.**

Most classic and collectible vehicles are issued a chassis number by the vehicle manufacturer. Under the Commonwealth Road Vehicle Standards Act 2018 and Road Vehicle Standards Rules 2019, these types of vehicles are now imported under the concessional entry pathway and recorded on the Register of Approved Vehicles (RAV).

As these vehicles do not have a 17-character VIN that meets the ISO standards, the Commonwealth Department of Transport Infrastructure Regional Development and Communications (DITRDC) will issue a VIN with the condition that the **VIN must be stamped on the vehicle**. It is an offence under the Commonwealth legislation if this condition is not complied with. A plate attached to the vehicle displaying the VIN is not acceptable.

The VIN provided by the Commonwealth via the RAV process is the identifier by which the vehicle must be known throughout Australia for registration and club permit purposes and is how the vehicle's origin will be determined for the purpose of registration/CPS permit eligibility.

### **Further information**
