President's Message

Hi All,

To any member not feeling well, I wish you a speedy recovery.

It seems to have taken forever but at last some projects have been started and should be completed soon. The shed is finally in progress, the BBQ area is started and the low area in the South West corner will probably be filled by the time you read this.

The guest speaker at the August meeting is Pat Groot who will speak about stroke awareness. Please come along for this important topic.

Christmas in July was well supported. A good meal, great support from our members and a group from Camperdown club. Great to see some of the younger club members there as well.

Please think about nominations or positions at the Annual meeting. Come along to our general meetings and have your say, after all it is your club.

Cheers

Bryan O'Meara
Club President.

Annual Report of Club Committee for 2023 AGM

Bryan O'Meara took over as Club President at last year's AGM. Thanks to Ken Perrett for his service over the previous three years which included the whole of the period of COVID-19 with lockdowns at short notice, virtual AGMs, cancelled general meetings, cancelled club runs and events and all sort of other restrictions.

The Club Christmas party was held on December 4th at the Clubrooms and about 40 attended.

The Lake Pertobe car display was held in January, and was back to normal with fences, gates, and a BBQ. There was a good turnout of vehicles on display and visiting public. Donations were raised for Warrnambool Surf Lifesaving Club.

March 25th was the Club's 50th anniversary. It started with a car show and picnic lunch at the FJ gardens followed by a formal dinner on the Saturday night at City Memorial Bowls Club. As well as a good turnout of members, there were invited guests, past members, and a guest speaker. The following day there was a Club run from Flagstaff Hill to the Clubrooms and an afternoon tea to cap off the celebrations. Thanks to Bryan and Carole O'Meara and all the organising committee and others who organised and helped to make this a successful and memorable celebration.

Bill Poynton has been doing a series of flashback articles on the early history of the Club during this calendar year in the newsletters focussing on people and events in the Club's history. The 2023 Club calendar is a special edition including four cars of founding members on the front page and other photo montages of events, members, and cars.

The Club was invited to assist in organising and holding a garage sale at a private property in Winslow in November which raised about \$5000 for the club. Thanks to all who coordinated the sale and volunteered on the day.

A Bunnings BBQ was held in March and raised about \$1500. Thanks to the volunteers who helped set up and cook. Throughout the year Peter Carter has spent a lot of time collecting scrap batteries from members and other sources. He has been doing this for seven years now. Thanks to Peter for his time and effort which this year raised \$1700.

Roy and Esther's rally to Kerang was scheduled for 4 days in October 2022. It was postponed due to floods but was held in May and attended by 38 people and 19 cars. Thanks to Roy and Esther for organising this successful event.

Community service runs resumed this year. The Rambler limo was out of service for some months for maintenance. Thanks to Club members who got their cars out and provided an outing and enjoyment for the aged care residents.

The Committee decided early this year that it was time to build a shed to store the Rambler and other club property items. The shed's size and design were agreed with members. A building contractor has been organised with fixed price. It is hoped to have it completed before end of this year. The Club has sufficient funds to pay for the shed.

14 new members joined in the past 12 months. At the end of June membership was about 380 which is 10 less than last year. Welcome to new members and we hope you meet new friends and get involved with Club activities.

Since July 2022 the Club has lost members who have passed away including Jack Brittain, David Crowe-Owen, Reg Dumesny, Colin (Speedy) Hodgson and Graham Densley. Vale to all those members.

The financial position of the Club is secure. The operating profit is consistent with previous years.

Thank you to the President, Treasurer, Committee, Safety Check Officers, Property Officer, Newsletter Editor, Federation Reps, Catering Committee, those maintaining the Clubrooms and others who have volunteered over the past year. Thank you especially to those who have done their bit and are now retiring. The Club needs volunteers to run the Club so please consider whether you can volunteer at the AGM for the Committee and other positions.

Ian Rees – Club Secretary for and on behalf of the Club President and Committee

Something Different.

WAG.

From time to time the club has been approached to contribute to community activities and in the early 2000's the Warrnambool Art Gallery and our club jointly organised an exhibition at the gallery entitled, Early Motoring in Warrnambool. The exhibition subsequently received a 2004 Victorian Community History Award in the Best Exhibit/Display category. It was curated by Brenda O'Connor and our President at the time was Kieth Begley which was seemingly appropriate as Kieth and his father were long time participants in servicing motorists in the city.

Ziegler

The vehicle depicted on the Club emblem is the Ziegler steam powered horseless carriage built at Allansford around 1900 by Johannes August Carl Ziegler. What's known of its story is well told at the club rooms, in Cogs and Collections and on display boards beside remnants of the beast at the Allansford Cheese World Museum.

Allansford.

The items are on display thanks to a written agreement with Museum Victoria who were donated the items by steam enthusiasts Les Wallace and Joe Timms in 1954. The engine and boiler had later been used in a boat in the Curdies River and were rescued by them. The exhibit is regularly inspected by Museum Victoria curators and the agreement with them extended by written agreement. The heavy chassis rails were retrieved after being used as a tank stand. Ironic or appropriate - the W&DHVC (Inc) address is now 134 Ziegler Parade,

Calendars

Around 20 years ago (someone will have the first one) as a fund raiser, the club started to produce our highly sought after colourful calendars. Incorporating advertising from a number of sponsors, the photos are taken by long time club member and camera enthusiast Ken Stepnell. Ken has contributed photos to many publications and released the book *Collector Cars of Australia* in 2010 in which many cars from the district are featured.

Photographer has an eye for the nation's classic cars

WARRNAMBOOL
By **TINA LIPTAI**

HE'S never owned one but photographer Ken Stepnell's passion for classic cars has driven him to produce the first book featuring only Australian-owned collector cars.

The Warrnambool lensman said he had always had a passion for cars and had been a member of the Warrnambool and District Historical Vehicle Club for the past 12 years.

The book also features at least 60 cars owned by south-west motoring enthusiasts.

A renowned photographer, Stepnell has won a number of awards for his work and produced more than 100 books featuring landscapes, flora and fauna.

But couldn't resist the chance to document Australian-owned classic cars.

Working on the book for the past decade, the project has taken Stepnell and his wife Pam to car rallies and fairs in all corners of the country.

"I grew up with cars on a farm, it's something I've

always been interested in," he said.

"It was done mostly through word of mouth. We'd hear of a rally, so we'd go and see what was on offer.

"If we liked a car we'd organise with the owners to photograph it and they would tell other owners about what we were doing."

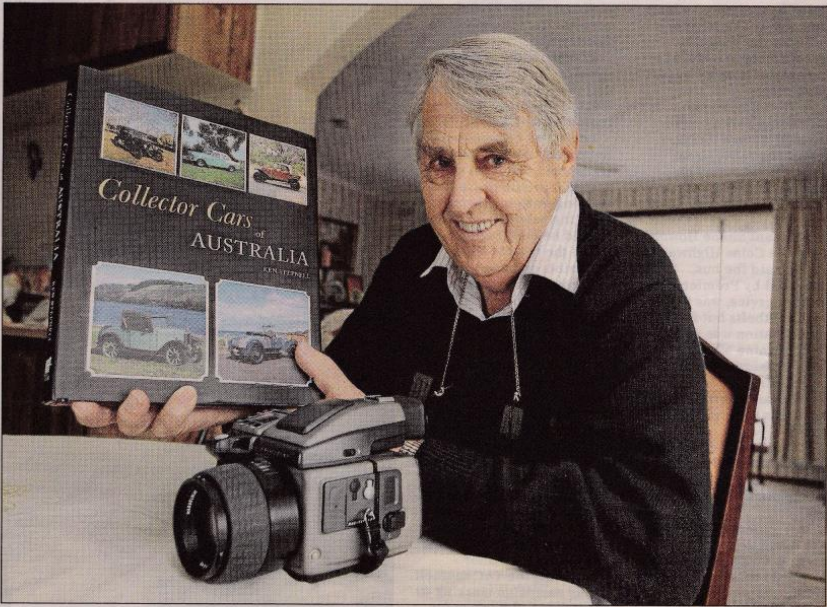

The collection shows the variety of cars in Australia and features a range of makes from Dodge to Rolls-Royce, Rover to Chevrolet, Toyota to Ford and General Motors Holden.

The book is organised into periods and showcases cars from the veteran and Edwardian era, through to vintage cars of 1919-1930, classic cars of 1931-1945 and the post-classic cars of 1946-1960s.

It features 300 pages with more than 1000 photographs. Its creator said it was the work he was most proud of.

"It's probably the best book I've ever produced or been involved with," he said.
