President's Message

Hi All,

Sadly, we have had 2 members pass away since my last report. Both on the 31st March 2024. Our sincere condolences to the families of Tom Smith and Ken Redford.

Club members have been invited to Arthur Byron's 90th birthday at Stawell. Check the details in the notice elsewhere in the newsletter. (see below)

The Limo now has a home in the new shed. Now we can organize a couple of jobs needing to be done on it. Thanks to Doug and Trevor for the donation of a small tank and stand to go with our new shed.

Don't forget the last sausage sizzle before winter at 6pm prior to the general meeting on the 26th April. Don't forget the coffee or tea and chat on the first Tuesday of each month. 10:30 till noon at the club rooms.

To all not feeling well we hope you are on the improve and better soon.

Cheers

Bryan O'Meara

Club Membership Subscription Renewal

When and how to pay subscriptions

Membership subscription renewal forms are being sent out this month. Subscriptions expire on June 30th. The form will be with this newsletter if you get your newsletter by post and emailed to all other members. Contact me if you don't get it by the end of April.

The Membership Term is July 1st to June 30th. Subscription for this year is \$70 and is due and payable by June 30th. Subscriptions can be paid by direct deposit, cheque, or cash. Subscription rises to \$95 if paid after July 31st and to \$130 if paid after September 30th. Membership lapses if subscription is not paid by December 31st.

A Club Member who has not paid their subscription by June 30th is no longer a financial member of the Club until it is paid. VicRoads requires that Club permit holders must ensure financial membership of the Club is always maintained whilst holding a club permit.

Review, revise, and return your form by email, mail, or hand it in at the Clubrooms. Check and update information including contact details, vehicles on CPS and permit expiry dates.

Tick the box to receive the newsletter by email if you receive it by mail but have an email address. It costs \$30 per year per member to mail newsletters plus volunteers' time to collect, fold, tape, affix address labels and deliver them to the Post Office.

Invitation to Lake Bolac Campout

Dear Secretaries/Editors and other Club members,

I write on behalf of the Vintage and Classic Car Club Ballarat to invite your members to the Lake Bolac Campout on the week of Wednesday 15th - Tuesday 21st May 2024. People are free to come for the whole time or just a day or any time in between. The Campout is open to any members with any type of accommodation, vintage or modern or even a swag!

Just a snapshot of the important details:

- the site is not actually at the Caravan Park - it is further around the Lake at Picnic Point. It is just a picnic area so there is no on-site power or on-site cabins, but power is available in the shower/toilet blocks. There are no camp fees as such, but to use the showers, a \$5 "coin-in-the-slot" token is required, which I will have at the camp site. There is a donation box at the shower block should you wish to contribute to help the Foreshore Committee with maintenance. - there is no need to book - just turn up
- if you are there on the Friday night, you are most welcome to join us at the local Hotel for Dinner - bookings are required - could you please ring me 0427 348 060 before lunch on that Friday? Thank you.
- a big feature of the Campout is everyone sitting around the one campfire, which we have permission from the Foreshore Committee to have again this year. And it is also a great way to cook your meals in camp ovens. The wood for the campfire is provided, so no need to bring your own.
- we ask members to wear their name badges to make introductions easier.
- we look forward to welcoming those who would like to attend. For any questions or further information, please contact: Nerene 0427 348 060

Many thanks in anticipation

Kind regards

Nerene Backhouse (on behalf of the VCCC Ballarat)

Lake Pertobe Car Display Donation Presentation

Bryan O'Meara presented the donations received at the Lake Pertobe car display in January plus the additional contributions from Beyond Bank and Callaghan Motors to Bernie Reid from The Warrnambool Legacy Club at the March general meeting on March 22nd. Bernie thanked the Club for the donations and gave an interesting talk on the history of Legacy and what the local chapter is doing in Warrnambool and districts now. Thanks to all our Club volunteers who helped plan the display and volunteered at the event at the gates and BBQ etc.

Targa Classica in Warrnambool – March 19 & 20

The 4-day event started in Ballarat on March 18th and stopped in Warrnambool at the end of the second leg on March 19th. Next morning the cars converged on Flagstaff Hill at 7am for public car show and the first car was scheduled to leave at 9 am. There was a breakfast available, and the entrants were parked either on the hill inside Flagstaff Hill or out in the parking lot. Chilly morning but many locals as well as Targa drivers and event stewards were on hand. Many of the cars were Italian but among the 177 cars marques were Bugatti, Porsche, Alfa Romeo, Ferrari, Jaguars, and some Australian classics including the Holden Sandman and Torana. The cars below left were mainly Jaguars and Porsche parked on the green close to the flagstaff and on the right were down in the village. The green 1930 Oakland had a lot of trouble getting up the hill with lots of black exhaust smoke and backfiring and had to back down the road and take a run up – but they made it to the next stop!

At 9 am the cars were flagged away at 1-minute intervals with the 1927 Bugatti and the Oakland first. This 3rd stage was to Torquay and was won by the Bugatti and then the 4th and final stage was to Melbourne Fed Square.

Car Humour

With the rise of self-driving vehicles, it's only a matter of time before we get a country song where a guy's truck leaves him too.

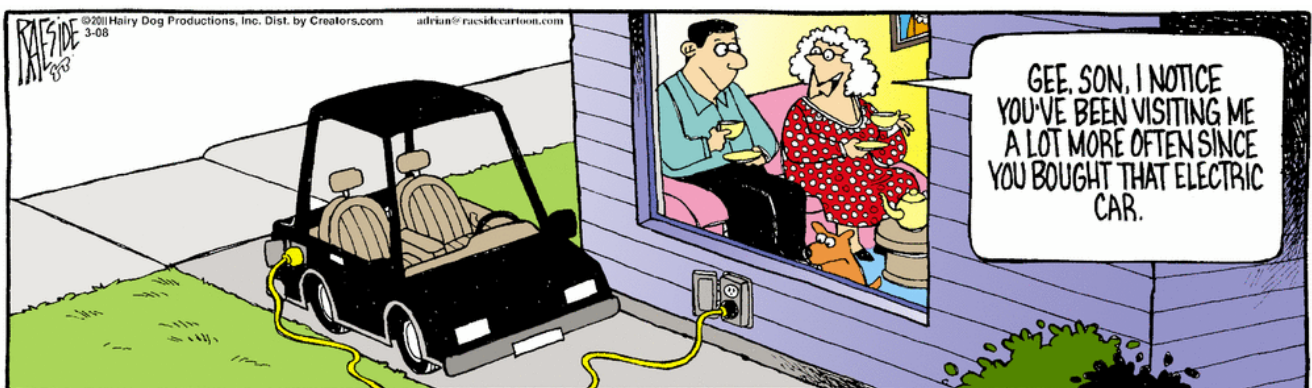

Apparently, I snore so loudly that it scares everyone in the car I'm driving.

My sister bet me I couldn't make a car out of spaghetti. U should of saw her face as I drove pasta.

Isn't it weird how when a police car drives by you feel paranoid instead of protected.

Sorry I'm late traffic is exactly how it's been every day for the past 5 years and I was not expecting that.

I didn't realize how bad of a driver I was until my sat nav said, "In 200 metres, do a slight left, stop, and let me out."
